Details:

This beautiful villa is located in a very quiet area only 40 meters from the sea on the beautiful island of Brač. The villa has two floors and consists of three separate apartments.

On the lower floor on an area of approximately 120 m² an apartment is located. It consists of two bedrooms with two baths, a large dining room and a modern built-in kitchen.

On the upper floor there are two separate apartments with separate entrances.

In the right part of the villa there is an apartment situated on about 65 m² with two bright bedrooms, two bathrooms and a kitchen with dining area. In the left flat there are two bedrooms, two bathrooms, and a small practical kitchen.

The entire house is renovated and each part of the house, ground floor, left and right upper apartment has a terrace or balcony with breathtaking ocean views.

Location & surrounding area:

Brač is with 396 sq. km the third largest and with its 778 m the highest island in the Adriatic ocean.

It belongs to Croatia, and is located on the coast of Central Dalmatia, near the city of Split. The island is known for its marble, which was used, for example, for the Budapest Palace and even for the White House in Washington.

The winegrowing of Brač is known and appreciated throughout the world. The main industry is concentrated on tourism.

The island can be reached very easily by the international airport in Bol.
